

2nd World Conference on
Advanced Materials Science and Engineering

SCIENTIFink

ADVANCED MAT 2026

December 7–8, 2026 (In-Person)
@The Oceanic Sportel Phuket, Thailand
December 9, 2026 (Virtual Via Zoom Platform)

<https://advancedmaterials.scientifink.com/>

Invitation

Dear Attendees,

SCIENTIFINK is proud to announce the 2nd World Conference on Advanced Materials Science and Engineering, to be held on Dec 7–8, 2026 In-Person, at The Oceanic Sportel, Phuket, Thailand, with virtual sessions on Dec 9, 2026 (via Zoom).

The Advanced Mat 2026 invites individuals worldwide to participate in a prestigious conference centered on the theme of “Innovations at the Frontier of Materials Science and Engineering.” Its purpose is to promote knowledge sharing, collaboration, and the exchange of innovative ideas among professionals such as engineers, professors, scientists, researchers, and students in the field of advanced materials and engineering.

The event serves as a dynamic platform for sharing research experiences, engaging in meaningful discussions, and attending sessions on various topics related to advanced materials, engineering technologies, and emerging innovations. It also provides companies and institutions with the opportunity to showcase their services, products, cutting-edge technologies, and research advancements.

If your organization is interested in participating, we encourage you to express your interest. The conference offers a program tailored to your needs, featuring extensive networking opportunities, groundbreaking presentations, panel discussions, and interactive sessions with distinguished speakers from diverse backgrounds.

This exciting and informative conference will include keynote lectures, oral presentations, symposia, workshops, poster sessions, and various programs designed for participants from around the world.

Join us at Advanced Mat 2026 to exchange knowledge with global experts, stay updated on the latest developments, and enhance your professional growth. We eagerly look forward to welcoming you in Phuket, Thailand, in 2026.

Advanced Mat 2026
SCIENTIFINK

About the Event

The 2nd World Conference on Advanced Materials Science and Engineering (Advanced Mat 2026) offers an exceptional opportunity to connect, collaborate, and build new professional relationships in the field of advanced materials and engineering. The conference provides dedicated collaboration spaces and breakout sessions, along with refreshments and lunch, ensuring valuable networking time between sessions.

It enables participants and delegates to discuss key challenges and emerging trends in advanced materials science and engineering, with insights from globally recognized experts who are at the forefront of the latest innovations. Attendees will gain valuable knowledge and up-to-date information aligned with the conference theme, “Innovations at the Frontier of Materials Science and Engineering.”

Advanced Mat 2026 is an international conference featuring world-renowned keynote speakers, plenary sessions, a young researchers forum, poster presentations, workshops, and career development sessions. It serves as a global platform for professors, academics, researchers, scientists, engineers, and industry professionals from around the world to exchange ideas and address current challenges in the field.

The conference will also include an exhibition area where companies and organizations can showcase their services, products, innovations, and research outcomes. If your organization is interested in participating, we warmly invite you to be part of this prestigious event.

We hope you will take this opportunity to join us at The Oceanic Sportel, Phuket, Thailand, and be part of this inspiring and impactful gathering.

Who Should Attend?

Advanced Mat 2026 is set to bring together renowned experts from the global advanced materials and engineering community to discuss current advancements, future possibilities, and the challenges that lie ahead in the field.

This conference will gather world-leading academicians, industry professionals, researchers, scientists, and students to explore innovative ideas and groundbreaking developments presented by distinguished experts. This knowledge-driven three-day event will focus on new strategies, emerging concepts, and transformative approaches that can significantly impact your professional growth and research development.

We invite you to join us with your research insights and industrial expertise, contributing to advancements that benefit society and drive technological progress, with Advanced Mat 2026 playing a vital role in shaping the future.

Reasons to Attend Advanced Mat 2026:

- Stay updated with the latest research and advancements in advanced materials and engineering—don't let outdated knowledge limit your progress.
- Discover how emerging research can accelerate your work, giving you a competitive edge in achieving accurate and innovative results.
- Learn new ways to innovate, collaborate, and implement effective research methodologies.
- Gain inspiration through face-to-face interactions with thought leaders, subject matter experts, and global peers.
- Engage with participants from across the world and gain a global perspective on sustainability and technological advancements.
- Participate in interactive Q&A sessions after presentations to address challenges, gain insights, and receive practical solutions.
- Generate new ideas through discussions, brainstorming sessions, and collaborative exchanges.
- Strengthen your professional network and contribute to community development through collaboration.
- If you are interested in presenting at the conference, we encourage you to submit your research ideas and enhance your professional visibility.

Join us at Advanced Mat 2026, taking place at The Oceanic Sportel, Phuket, Thailand, and be part of a transformative global gathering in materials science and engineering.

Scientific Session

- Materials Science and Engineering
- Materials Physics and Condensed Matter
- Materials Chemistry and Chemical Sciences
- Physics and Chemistry of Materials
- Nature, Properties and Characterization of Materials
- Emerging Smart Materials & Structure
- Nanomaterials and Nanotechnology
- Advanced Nanomaterials, Nanocomposites and Nanoengineering
- Nanostructures, Nanofilms and Nanoelectronics
- Carbon Nanotubes, Carbon and 2D Materials
- Graphene Technology and 2D Systems
- Functional and Smart Materials
- Smart Hybrid and Responsive Materials
- Metamaterials and Quantum Materials
- Emerging and Future Trends in Materials Development
- Energy Materials and Advanced Energy Systems
- Energy Storage, Batteries and Solid Electrolytes
- Energy Production, Conversion and Sustainability
- Environmental, Green and Sustainable Materials
- Polymer Science and Technology, Plastics and Biopolymers
- Polymers, Soft Matter and Nanoscale Materials
- Composite Materials, Fibers and Coatings
- Structural Materials and Mechanics of Materials, Characterization Techniques and Equipment
- Ceramics, Glasses and Composite Materials
- Advanced Ceramics and Glass Science
- Electronic, Optical and Magnetic Materials
- Electrochemistry and X-ray Diffraction
- Optoelectronics, Photonics and Optical Materials
- Semiconductors and Electronic Devices
- Semiconductors: Fundamentals to Emerging Applications
- Magnetism, Multiferroics and Dielectric Materials
- Nanoporous Aerogel Materials
- Metals, Alloys and Metallurgical Engineering
- Mining, Mineralogy and Materials Extraction
- Corrosion Engineering and Materials Degradation
- Surface Science, Coatings and Thin Films
- Thin Films, Corrosion, and Degradation of Materials
- Catalytic Materials & Green Chemistry
- Chemical Engineering and Industrial Chemistry, Applied Chemistry
- Catalysis, Biocatalysis and Chemical Reactions
- Chemical Synthesis and Catalysts Synthesis
- Organic, Inorganic & Physical Chemistry
- Nano Catalysis & Nano Chemistry
- Materials Synthesis and Processing Technologies
- Biomaterials, Medical Devices and Healthcare
- Biomedical Engineering, Biomechanics and Nanomedicine
- Biosensors and Bio-electronic Materials
- Computational Materials Science and Modeling
- Materials Informatics, AI and Data-Driven Materials
- Additive Manufacturing, 3D Printing and Sintering
- Textile Manufacturing and Engineering
- Materials Characterization and Advanced Instrumentation
- Thermal, Transport and Mechanical Engineering Sciences
- Materials for Electronics, Photonics and Industry
- Materials for Agriculture, Defense and Security
- Materials for Global Challenges and Sustainability
- Nuclear, Recycling and Circular Materials
- Robotics, Mechatronics and Materials Systems
- Applied, Industrial and Translational Materials
- AI, Machine Learning, Digital Twins and Emerging Technologies in Materials Science

About Phuket

Phuket, Thailand's largest island, is a vibrant destination located in the heart of Southeast Asia. Known for its stunning beaches, cultural richness, and modern infrastructure, Phuket offers a diverse range of experiences for both locals and international visitors. From iconic landmarks like Big Buddha Phuket and historic areas such as Old Phuket Town to lively markets and beachside entertainment, the island captivates with its unique blend of tradition and contemporary living.

As a global tourism hub, Phuket has made significant contributions to hospitality, commerce, and cultural exchange. The island is well-connected and easy to explore, with convenient transport options and modern infrastructure. Thailand's strong commitment to tourism is reflected in Phuket's warm hospitality, world-famous cuisine, and vibrant cultural scene.

Beyond its lively atmosphere, Phuket is renowned for its natural beauty. The island is surrounded by the Andaman Sea, featuring breathtaking coastlines and famous beaches such as Patong Beach, Kata Beach, and Karon Beach. Visitors can also enjoy scenic viewpoints, nearby islands, and lush green landscapes that provide a refreshing escape from busy schedules.

Phuket's commitment to growth and innovation is reflected in its rapidly developing infrastructure and international appeal, making it a key destination in the region for both tourism and global events.

Interesting Facts about Phuket, Thailand

Phuket is a lively island destination that blends traditional Thai culture with modern lifestyle experiences. It is famous for its vibrant beach life, cultural landmarks, and welcoming atmosphere.

Phuket's food scene is diverse and exciting, offering everything from authentic Thai street food to fine dining. Fresh seafood, tropical fruits, and traditional dishes such as pad Thai and Thai curries reflect the island's rich culinary heritage.

The nightlife in Phuket is energetic and diverse, especially around Patong Beach, where visitors can explore night markets, beach clubs, and entertainment venues.

As you explore Phuket, you will notice a unique mix of traditional architecture and modern developments. The colorful Sino-Portuguese buildings in Old Phuket Town contrast beautifully with luxury resorts and contemporary structures, showcasing the island's evolution while preserving its cultural identity.

IMPORTANT DATES

Conference Date	December 07–09, 2026
Abstract Submission Opens	December 24, 2025
Registration Opens	December 25, 2025
Final Abstract Submission	December 03, 2026
Final Registration	December 04, 2026

IMPORTANT LINKS

For Registration: <https://advancedmaterials.scientifink.com/get-registered/>

Reserve Accommodations: <https://advancedmaterials.scientifink.com/get-registered/>

Venue: <https://advancedmaterials.scientifink.com/venue/>

CONFERENCE REGISTRATION

Registration Fee (Per Person) Academia Registration Fee:

Type	Before May 31 st , 2026	Before August 31 st , 2026	Before December 04 th , 2026
Speaker Registration	\$599	\$699	\$799
Poster Presentation	\$649	\$749	\$849
Listener/Delegate	\$699	\$799	\$899

Student Registration Fee:

Type	Before May 31 st , 2026	Before August 31 st , 2026	Before December 04 th , 2026
Student Registration	\$499	\$549	\$599

Sponsorship & Exhibition Registration Fee:

Type	Before May 31 st , 2026	Before August 31 st , 2026	Before December 04 th , 2026
Sponsorship			
Platinum	\$3999	\$4299	\$4499
Gold	\$3499	\$3799	\$3999
Silver	\$2999	\$3299	\$3499
Exhibitors	\$3499	\$3799	\$3999

Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference.
- Lunch during the conference

Conference ACCOMMODATION

Type of Accommodations	Amount in \$
Stay Pack A1 (Two-Night Stay)	\$999
Stay Pack A2 (Three Nights Stay)	\$1199
Stay Pack A3 (Four Nights Stay)	\$1399
One Night	\$249
Extra Person (Accompany)	\$299

All Packages include:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference

ADVANCED MAT 2026 SPONSORSHIP

Advanced Mat 2026 is an exciting opportunity to display the new developments, the new your company, and/or the services your industry may offer to a broad international audience. Advanced Mat 2026 delivers over 100+ attendees from over 40 countries supporting the development and commercialization of innovations in the field of Advanced Materials Science and Engineering. As an exhibitor, you will access the engineering professionals, researchers, doctors, professors, faculty, and commercialization leadership that rely on your products and services to develop these new technologies.

PLATINUM SPONSORSHIP

- Exhibition booth space of 3*6 meters with priority to purchase exhibition space and choose booth location
- Two conference passes & two booth personnel passes
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (two A4 color pages)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- Three inserts provided by the sponsor in the Congress delegate bags

GOLD SPONSORSHIP

- Exhibition booth space of 3*6 meters
- One conference pass & two booth personnel passes
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (two A4 color pages)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- Two inserts provided by the sponsor in the Congress delegate bags

SILVER SPONSORSHIP

- Exhibition booth space of 3*3 meters
- One conference pass & one booth personnel pass
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (one A4 color page)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- One insert provided by the sponsor in the Congress delegate bags

WHO CAN EXHIBIT

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

WHY TO SPONSOR ?

Sponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions. Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

EXHIBITIONS ALLOW YOU TO ADVANCE ALL YOUR

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

ABOUT SCIENTIFINK

SCIENTIFINK is initiated for conducting online and Physical events globally. SCIENTIFINK involves in planning, Organizing, and executing scientific events across the globe with people from different scientific backgrounds coming together and participating in these events. Our attendees include academicians, professors, students, and Industrialists whom they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges. Our focus is to make available scientific research articles in all areas of education easily accessible by researchers and academicians based on the open-access platform. We believe that the open- access model will create a dynamic space for learning, sharing, and stimulating research all around the world. We provide the opportunity of free, unrestricted access to excellent research articles to academia, researchers, and interested individuals who seek knowledge and enlightenment. Mind Authors Inc. believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work toward achieving their personal and professional fulfillment.

BOOK MARK YOUR DATES

December 07-09, 2026

We are excited about the opportunity to meet you in Phuket. A captivating learning experience awaits your arrival.

Let's create unforgettable moments that we can treasure in the Phuket, Thailand.
